

City Of Canada Bay (CCBC) Recreation Centres Direct Debit Promotional Terms and Conditions

1. Direct Debit Promotion Details

1.1. When you join either Concord Oval Recreation, Rhodes Recreation Centre or both (Reciprocal), on a direct debit membership during the promotional period, Monday 31 August 2026 to Wednesday 30 September 2026 (inclusive), you will receive the following promotion:

- No joining fee plus;
- No payment until first direct debit date, commencing 1 October 2026. Receive the remainder of September 2026 gym access at no cost.
- Free CCBC gym towel.

1.2. Promotions cannot be combined with other offers.

1.3. This promotion is available to new members only.

1.4. This offer is valid for the following Direct Debit Memberships; Adult, Concession, Pension, Off Peak and 14/15 Year old and Reciprocal memberships.

1.5 This membership provides access to all gym areas and services except Myzone Classes, Creche or Stadium.

2. Payment of Fees

2.1. You acknowledge that this promotion is for the agreed membership the Direct Debit Weekly fee (including GST) charged fortnightly. Direct debit payments will commence from 1 October 2026. All other Direct Debit charges remain as per the published Council fees and charges.

3. Minimum Term

You acknowledge that this promotion is valid for a minimum term of thirteen (13) applicable fortnightly debits.

4. Time Pause and Cancellation

4.1. Time pause is per the ongoing membership terms and conditions listed below.

4.2. Cancellation of membership is not available until the conclusion of the thirteen (13) applicable fortnightly debits. The earliest cancellation date is 31 March 2027. Standard thirty (30) day written notice period for cancellation applies. During the thirty (30) days' notice, two (2) fortnightly instalments will be debited from your account.

5. Ongoing Membership

If you fail to provide thirty (30) days written notice for cancellation, the membership will continue as an ongoing fortnightly direct debit membership. Ongoing Terms and Conditions below apply.
